About UnitedSeats

UnitedSeats is a worldwide manufacturer for off road seating. We supply seating to the commercial, construction, agricultural and industrial sectors. All seats are manufactured under contract in a new state of the art modern 75.000m² factory to the latest manufacturing techniques. We distribute seats and components through a world-wide distribution network from our new Zwijndrecht facility in The Netherlands.

UnitedSeats remains committed to innovation, providing seating solutions and backed by excellent sales and service support. Our in-house design capability allows us to tailor product to OEM and distributor specification.

Our range of industrial seating offers drivers a wide range of seat models for:

- A** Forklift trucks
- B** Rough terrain forklifts / telescopic handlers
- C** Baggage tow tractors
- D** Airplane tow tugs
- E** Small cargo pallet trucks
- F** Ride-on sweepers
- G** Electrical utility vehicles & ATV's
- H** Excavators
- I** Wheeled loaders
- J** Road rollers
- K** Pavers, ashphalters
- L** Large HP tractors
- M** Medium HP tractors
- N** Small tractors
- O** Marine craft

The range comprises air and mechanical suspension seats, with a wide range of seat uppers from deluxe fabric seats to basic pvc skin and foam pans.

At UnitedSeats our priority is to ensure the health and safety of industrial vehicle drivers, and recommend you replace or repair old and damaged seats to prevent injury. **At UnitedSeats "we've got your back!"**
